BLASTPRO BPZ-20-360

The BPZ 20-360 shot blasting system is the perfect solution for large jobs that call for a ride-on machine and it eliminates the need for a generator system or electric power. The BPZ 20-360 features an industry revolutionizing zero turn radius, is quick, and the most maneuverable machine on the market today. The BPZ 20-360 is manufactured using only state of the art components, compressors, and hydraulic drives. The BPZ 20-360 provides high production and versatility when cleaning concrete for recoating and overlay applications. The BPZ 20-360 ride-on shot blaster is the perfect choice for large jobs including parking garages, highway and bridge work, warehouse and industrial plant floors and airport runways. The BPZ-360 features joy stick steering, self contained dust collector, non-marking tires, hydraulic front end lift, hydraulic shot valve and heavy duty liners. The 16" model BPZ 16-360 is also available as a special order
