- Our newest "low profile" machine, designed for accessing hard-to-reach areas underneath shelves, cabinets, etc
- An ideal solution for big box retail projects
- 3 heads and 30 inches of working area for maximum square footage efficiency
- 15HP and 208-240V
- 400 lbs of grinding pressure
- Wet and dry
- Features three new 13.5" heads

A new "low profile" lip reaches underneath shelving and other hard to reach areas; ideal for big box retail projects; features three new 13.5" heads

Modular construction for easy transport and service. LAVINA machines may be disassembled into easy-to-lift sections.

Each model features a built-in halogen headlight for work in darker areas.

The control panel is very easily accessible on all machines.

LAVINA machines feature several handles for easy transport and maneuverability. The main handle (left) features 6 positions for even greater control.
