Detachable wheel unit for simpler transport and maneuverability. Available on the LAVINA 25@N PRO and LAVINA 32@ PRO models, and may also be retrofit for older 25N and 32 models.

Modular construction for easy transport and service. LAVINA machines may be disassembled into easy-to-lift sections.

Each model features a built-in halogen headlight for work in darker areas.

The control panel is very easily accessible on all machines.

LAVINA machines feature several handles for easy transport and maneuverability. The main handle (left) features 6 positions for even greater control.
